The screenshot shows the 'Registration request' page on the OCS platform. The page has a navigation bar at the top with 'OCS' and 'Conference list' on the left, and 'Registration' and 'Login' on the right. The main content area is titled 'Registration request' and contains the following text: 'In order to register for the conference service, please provide a valid e-mail address below. You will receive a confirmation e-mail containing further instructions.' Below this is a form with four numbered steps: 1. An input field for 'E-mail address' containing 'autor@upv.es'. 2. A checked checkbox for 'I accept the terms and conditions and privacy policy.'. 3. A CAPTCHA verification section with the text 'In order to prevent automated requests, we need to verify that you are a human person. Please enter the text below.' and an input field containing 'cfnpX'. 4. A 'Send request' button. The footer of the page includes 'OCS » Registration request', 'Howtos', 'User guide', 'Imprint', and the 'SPRINGER NATURE' logo with links to 'Terms and Conditions' and 'Privacy Policy'.

## Welcome to the conference service of XXX\_INGEGRAF\_CONGRESS

**Name:** 30th International Conference on GRAPHICS ENGINEERING, XXX INGEGRAF CONGRESS

**Description:** INGEGRAF (Association of University professors who teach subjects related to Graphics applied to Engineering), has organized twenty-eight International Congresses, with an annual and uninterrupted rate.

His vision, throughout this period of 30 years, has been evolving as technological advances have been implemented, especially with the implementation of ICTs in Product Design, Construction Projects and Manufacturing Processes (CAD-CAE-BIM-CAM).

However, its mission maintains its initial current objectives:

- Put in common experiences of educational innovation related to the Graphic Representation Techniques.
- Update content, skills and abilities that students of Engineering Schools must achieve.
- To disclose the research in which Graphic Engineering plays a prominent role.
- Forum of dissemination of publications and articles related to the theme of the Congress.

**PC Chairs:** Guillermo Peris-Fajarnés  
Ismael Lengua  
Francisco Cavas
